

SIGMA TAU DELTA

INTERNATIONAL ENGLISH HONOR SOCIETY

Application for Student Representative and Associate Student Representative

Please submit this application to your Regent any time before your regional caucus, which takes place at the annual convention. If emailing the application, do so at least one week prior to the convention. It may also be submitted to your Student Representative or at the convention registration desk prior to the caucus. Students may apply for either or both positions. The election of the Student Representative will be held first, with each chapter having one vote. Students who have checked both will be automatically entered in the election for Associate Student Representative.

Duties of Student Representative (SR)

Student Representatives work with their Regents, promoting communication among chapters within their region, and are responsible for producing regional newsletters, assisting with regional conferences and serving on the Student Leadership Committee. SRs attend Board meetings.

Duties of Associate Student Representative (ASR)

Associate Student Representatives assist the Student Representatives of their region. They should be prepared to assume the duties of the Student Representative should the need arise.

_____ I am applying for the position of the Regional Student Representative in the _____ Region.

_____ I am applying for the position of the Associate Student Representative in the _____ Region.

Name _____ Class Rank _____

University or College _____ Expected Date of Graduation _____
